

Wait List Application for the Mode Accessories Show Spring & Fall Editions

We thank you for your interest in exhibiting in the Toronto Mode Accessories Show. Please note that the show is in a sold-out position, and exhibit space only becomes available through cancellations. The anticipated wait time for space is approximately 6 months. We appreciate your patience throughout this process. In order to streamline and lessen the frustration of a long wait time, all applications for exhibit space will be processed according to the following procedure:

- 1) All applicants must complete a "Wait List" application and pay a non-refundable administration fee of \$100 plus 13% HST. This is a one-time fee for the duration of the wait.
- 2) A brief summary of the company and the main product must accompany the application.
- 3) Submit a photo of the product that best exemplifies your collection, and a photo of the booth if available.
- 4) A point system will be applied to each applicant:
 - 1 point for each month that you are on the Wait List;
 - a range of 1-5 points will be given for booth display and show experience (please submit photo of your booth if available);
 - a range of 1-5 points for product category.

This registration will place the applying company onto a Wait List which allocates available booth space based on the point system outlined above; points accumulated through the length of wait, quality of product and exhibit display. The applicant will be contacted by Show Management via phone or email when his/her turn comes up. Upon acceptance of space allocation, a formal "Exhibit Space Application Contract" will then be completed and space cost charged. If the applicant cannot be reached after three (3) attempts, Show Management will have the right to contact the next applicant in line, and may drop the unreachable applicant from the wait list if appropriate.

This Wait List Application does not guarantee immediate allocation of space in the Mode Accessories Show, nor will the administration fee be credited to exhibit space cost when booth location is assigned.

It is Show Management's intention to expedite this process so that we can welcome you as an exhibitor as soon as possible. If you have any questions, please contact our office at 416-510-0114.

Best regards,
